We're supporting the @heart.of.bucks (Instagram) / @heartofbucks (Facebook/X/LinkedIn) Together Against Poverty campaign to give hope to those living in poverty in Buckinghamshire. The rising costs of daily life are leaving some people struggling to afford necessities including shelter, food, energy bills, clothing etc. The money raised for #togetheragainstopoverty will allow Heart of Bucks to continue to provide valuable financial support to individuals and families experiencing hardship.

Find out more about the campaign and how you can get involved at heartofbucks.org/poverty-campaign
